

QUOTES

“Samantha Martin is a force of nature, one of those voices that grabs you by the throat while causing the hairs on the back of your neck to tingle.” **Kerry Doole/Exclaim!**

“You might not know it yet, but Samantha Martin is a rock star. She'll tear your heart out one note at a time.” - **Serena Ryder**

“America gave us Brittany Howard of Alabama Shakes, England brought us Yolanda Qartey and Phantom Limb while Toronto, Canada gives us a new rising star, Samantha Martin.” - **Jan Jansen / Real Roots Café NL**

“Interesting that she's coming up at the same time as Etta James has (sadly) passed. Samantha Martin has a voice that stops people in their tracks. Those are rare.” - **Luke Doucet / Whitehorse**

“Samantha Martin has soul. It is obvious from the moment the rural Ontario hometown girl opens her mouth... Its apparent Martin has the music of years-gone-by coursing through her veins” - **Ty Tremble / Post City**

“Absolutely one of my favorite singers. A voice dripping with character, tone and raw power.”- **Colin Cripps**

“I'd call her a powerhouse” - **Jenna Roebuck / Dawson City Music Festival**
